

# Mini Farm Information Package

## Experience

Since 2018 we have complimented numerous community events within Southern Alberta with our 20'by20' Mini Farm.

Including but not limited to:

- Rosemary Canada Day,
- Spock Days in Vulcan,
- Acadia Community for Calgary Stampede Days
- Medicine Hat Chamber for Midnight Madness
- City of Medicine Hat Echo Dale Farm
- Christmas in the Park in Brooks
- Numerous schools, senior centres and more

The White Barn Mini Farm always receives positive feedback and often times we are invited back year after year.

To respect the privacy of our patrons Pictures located in this package are often after set-up is complete and BEFORE the crowd arrives. The Mini Farm is always very well attended.

# Mini Farm Set-Up Details

Our Mini Farm is a 20'by20' set up with 2 pens and a space for visitors to interact with the animals.

The Mini Farm is efficient and safe for both animals and people. We can comfortably host over a 100 people an hour. Proof of 2 million liability insurance certificate can be provided with event name and date(s) upon request.

# Mini Farm Animals

Standard Mini Farm includes: alpaca, llama, goat, sheep, pony and donkey. But this can vary depending on the young animals we acquire in the spring. For example in the past we've had calves, kids, lambs, foal, emu chicks.

Many of our animals have been born and raised in an animal attraction environment therefore they are well socialized, travel well and they never leave the farm unless they are healthy.

It's helpful to have shady grassy locations but if that's not possible we have shade tents and will lay sawdust.

## **Important Information**

White Barn staff need easy trailer access to the location so that we can unload and set-up. This may require parking to be blocked off for us, gates to be open etc. We will arrive an hr before to set up, please have this arranged.

For the well being of the visitors and animals please have the area located away from high speed vehicle traffic, bouncy castle motor blowers and loud music.

Cost quoted for your area includes travel, set up, clean up, and staff on site.
